

DESIGNING YOUR FUTURE

Our Passion

Founded 17 years ago on the premise of providing superior service for BGA rework, Lightspeed Manufacturing has grown into three unique businesses. Each of these divisions is focused on delivering the highest levels of customer satisfaction.

COMPLETE PRODUCT LIFECYCLE SUPPORT:

- DFM REVIEWS & PROTOTYPING
- VOLUME MANUFACTURING
- REPAIR, REWORK, RETROFITS

Our Success

Our people

LIGHTSPEED'S ASSOCIATES ARE ALL CAREFULLY SELECTED BASED ON THEIR TECHNICAL CAPABILITY, CAN-DO ATTITUDE, AND PERSONAL COMMITMENT TO CUSTOMER SATISFACTION.

Our Company

We are a fast-growing EMS provider that delivers high quality products on time and at competitive prices.

Because we are privately owned and debt free, we have the independence to cater to our customers' needs.

Our portfolio includes automotive, aerospace, telecom, and consumer electronics.

All of our assembly is performed in the USA.
